YOUR REAL ESTATE PARTNER

Cornell & Associates is heavily vested in the Haile Plantation community & has a goal to become one of the premier real estate service firms in Gainesville. Our move to our new Haile Plantation office in February 2007 will provide our customers with a state-of-the-art facility incorporating the latest technology to facilitate the process of buying or selling real estate. The office will be family friendly & even provide an "office" for the kids. "We want our customers to include the whole family when buying or selling their real estate so we want the office to facilitate this experience," Ken states. "After all, it takes a whole family to turn a house into a home."
